## Class Song

(Sung to Edelweiss)

Memories, Memories,  
We will cherish forever,  
Everyone, all the fun,  
We are sorry to leave them.  
Our Junior Prom and the Senior Play,  
All our days both sad and gay,  
All of these memories  
Stay within us forever.

Second Verse

Out into the world we now must go,  
Free at last to find our way,  
Thanks to you we'll see them through,  
Farewell, our Dear Alma Mater!

SENIORS LOOK INTO

# FOREWORD

Dear Students,

As we the Seniors of Memorial High School look into the future we do not know what awaits us, but we hope we are ready. But, though looking into the future seems attractive and exciting, we must not forget the past, therefore, the staff and I, as your editor, have worked hard to produce a yearbook which we hope will bring back the many events of our school years and especially those of 1965-1966. These events were sometimes joyful and sometimes tragic but always thrilling.

To many of you Seniors, this is the end of your formal education; may your school years serve you well in your chosen career. To those Seniors who will continue into college, I am sure you have a strong foundation upon which to base your future work and hope. To the underclassmen, a word from one who has already passed this way; do not allow yourself to become entangled by small irritations and trifles, for these are certainly the most productive and valuable years of your life and the trifle and irritations only shorten them. Instead, set your sights high and keep a level head.

In closing I hope as you, both Seniors and underclassmen, reminisce through these pages of the 1966 Reveler you will realize that this has been a most wonderful year.

With best hopes for each of you,

Jack Krompegel  
Editor  
1966 Reveler

FACULTY

## Principal

Our principal, Mr. Sandron S. Parenti is a man with whom we are all familiar. He is a man who is dedicated and who runs our school in a fashion that will benefit all students. Mr. Parenti is always ready to help any student cope with any problem, and he is always able to give guidance to a student who needs it. We students have much respect and a great deal of admiration for Mr. Parenti. He is a man whom we are very fond of and to whom we will always be grateful.

MR. PARENTI

## Vice-Principal

MR. WANSACK

Our vice-principal, Mr. Wansack, is our 'father' away from home. It is to him that we look for discipline and guidance. It is Mr. Wansack who sets the rules of behavior and sees to it that they are obeyed. In his kind but stern manner Mr. Wansack is helping to shape the students of Memorial into the citizens of the future. To you, Mr. Wansack, we give our sincerest thanks

## Superintendent of Schools

Nicholas A. D'Amato our Superintendent of Schools is a man to whom we students are all grateful. He is a man who is always interested in seeing that every student is receiving the best possible education and also receiving every chance for recreation through school activities. Through his hard work and the cooperation of the Board of Education he has provided us with a beautiful new building which contains a basketball court, a new cafeteria, a new band room, and many other facilities that will be used and enjoyed for many years to come. For these and many other services which he has performed for the students at Memorial we wish to express our deepest thanks

MR. D'AMATO—Supt.

## 1965-66 Football Resume

The Chaney Cowboys displayed their powerful offense and a stubborn defense to down the Red Devils 36-8. The Red Devils had only one T.D. which came on a pass play from Schuster to Ken Gresko.

The Boardman Spartans, after being held to an 8-8 tie until the closing minutes of the 4th quarter, downed Campbell 24-8. Our only score came when Schuster plunged one yard for the T.D.

The Hubbard Eagles were downed by a fired-up Devil offense, 36-0. Larry Schuster scored twice and passed 25 yards to Leon Cox for another.

The Brookfield Warriors were overwhelmed 48-0 by Campbell's fast moving offense and powerful defense. Schuster connected twice for scores with Van Dusen and other scores were made by Don Davolio and Frank Rupert.

The huge, fast moving South High Warriors downed Campbell 14-0 in a hard fought battle. Campbell's offense was hampered by the wet field.

The Fitch Falcons pierced the Devil defense in the last 40 seconds to win 8-0. Again a wet field halted our offense from getting an attack going.

The Girard High Indians were downed 20-12 by the substitute quarterback, Ralph Misko, who scored 3 T.D.'s on runs of 5, 9, and 3 yards to come from behind for a victory.

The East Golden Bears downed the Red Devils 14-8. The Devils took advantage of a bad snap on a punt and scored on a 7 yard T.D. by John Gresko.

The Struthers Wildcats used their size and power to down the Red Devils 20-8. Larry Schuster scored from 3 yards out after Gilchrist recovered a Cat fumble.

## Resume

The Red Devils were caught in a rebuilding year this season and failed to win a game in 19 outings. It was a young team, consisting of juniors and sophomores, which lacked experience and height but made most of the games interesting with an aggressive style of play.

During the regular season Dom D'Altorio, a junior, led all scorers with 255 points, an average of nearly 15 points a contest. D'Altorio was elected to the All Steel Valley second team. Carl VanDusen, also a junior, gathered in 117 rebounds for an average of 7.3 a game. As a team the Red Devils averaged 47 points a game.

The outlook for the next year looks good for the Red Devils. With a young team gaining more experience with every game, the Red Devils should have a good chance to bring the Steel Valley Conference basketball crown to Campbell.

The season was further marred when it was announced that coach Eli Danilov was hospitalized. We on the annual staff along with the basketball team wish him a speedy recovery. Mr. Matt Bozic carried on for Mr. Danilov.

Since you didn't CHOOSE the period of history in which to be alive . . .  
aren't you the lucky ones to have happened into this age?

Why, you're practically sitting on the edge of space, with no limits at all  
to your potential! Whatever the field you choose just now, it's waiting for  
a "break-thru."

Enter Science—and you'll head for the moon. Choose Medicine—and you  
and your generation will probably stamp out most of the major dreads of  
humanity. Take the Arts—and you're on the verge of real excitement: new  
ways in which even the government is helping to spread the joys of it all!

How Lucky You Are, New Graduate!

YOUTH AND THE WORLD

"There is many a battle that's yet to be won,  
There is many a glorious deed to be done.  
The world is still young! For the youth at its door  
There are tasks some shall do never dreamed of before.  
It is not an old world, worn and wrinkled and gray,  
It's a world that is being reborn every day."
